A separate form is required by the England Korfball Association (EKA) for under-age players.

New players are sent log-in details for 'Fixtures Live': an online system used for all korfball player registration and match details in England. Anyone over the age of 14 can play in competitive fixtures.

A registration email will be sent to the email address provided with instructions on how to complete registration on Fixtures Live. A passport-style photograph needs to be uploaded for player verification, however this doesn't appear on the public-facing version of the website – it is only seen by league administrators.
